MEMORANDUM FOR: Director of Security  
SUBJECT : Intelligence Leaks

25X1A

1. I attach for your consideration a copy of a memorandum I sent to the Assistant DDI concerning [redacted] directive on reporting intelligence leaks. My reason for preparing this was to see if we could establish--at least within the DDI--a standardized reporting format that would lend itself most easily to the kinds of analyses we might be asked to do in the future.

2. Paul Walsh suggested that I send you a copy of my memo and that I be available to discuss this directly with you or with your staff if you should think there is merit to this approach.
